Sir:

## **RESPONSE TO RESTRICTION REQUIREMENT**

Responsive to the Official Action of May 17, 2005 (for which applicant requests a four-month extension of time) and the requirement for restriction presented in it, applicants elect the subject matter of Group V, that is claims 6 and 14

Note however that the Examiner's description of the subject matter recited in these claims appears to be inaccurate in that it does not take into account the Preliminary Amendment applicants filed on 22 April 2004.

Applicants are filing a further amendment concurrently herewith adding further dependent claims, and request an early examination on the merits.
